Lane 6	Visitor		
	Home		
	Visitor		

	Timer		First Half		Second Half
Lane 7	Home				
	Visitor				
	Home				

	Timer		First Half		Second Half
Lane 8	Visitor				
	Home				
	Visitor				

REMINDERS:

Number each clipboard's meet heat sheet with corresponding lane number

Single club timer in each lane gets clipboard (if possible, based on experience level)

Clipboard timer needs to check each swimmer's name (for 8 and under, verify name as they climb out of the pool AFTER race)

Tell timers to re-set watches after 1) each heat and 2) after false starts

Tell timers to check watch immediately after each start to verify it is working

Tell timers to see swimmer touch, not guess at it.
